

## How to get to Santa Margherita Ligure

[1]

**By car/coach.** The nearest motorway exit is in Rapallo (motorway A12 between Genova and la Spezia) that is about 5 Kilometers far from the centre of Santa Margherita Ligure: from Rapallo follow the signs to Santa Margherita Ligure and Portofino, going first through the centre of Rapallo, then following the coastal road that passes by San Michele di Pagana.

**By train.** The train station of Santa Margherita Ligure is situated along the line Genova- La Spezia: it is served by numerous long distance and local trains. All times of the trains that stop in Santa Margherita Ligure are available on the website of Trenitalia.

**By plane.** The nearest airport is the Airport Cristoforo Colombo in Genova and is easily accessible by highway: from the exit of Genova Aeroporto (that is 35km far from Santa Margherita Ligure) get the highway A12 until the exit Rapallo. All times of arrivals and departures are available on the website of Genoa Airport.
